SUPERVISION RECEIVED: Works under the direction of the Bridge Supervisor, Foreman, Leadworker, or maintenance worker of a higher grade who assigns duties, observes performance and inspects work upon completion for conformance to construction and maintenance standards.

SUPERVISION EXERCISED: May occasionally exercise working supervision over other maintenance personnel.

ESSENTIAL FUNCTIONS: A person employed in this classification must possess the capability to perform the following duties to be considered for this position. The duties are essential functions requiring the critical skills and expertise needed to meet job objectives. Additional specific details of these essential functions may be provided by the specific office or department job announcement, if applicable.

1. Performs the functions of a Road Maintenance Worker 1, and Bridge Maintenance Worker 2; and,
2. Is trained and certified by Linn County to safely operate all of the following equipment:
 - A. Excavator – less than 35,000 lbs. GVW
 - B. Arc Welders – stick and wire feed
 - C. Backhoe
 - D. Dump Truck – tandem rear axle trucks requiring a commercial driver license, with manual and automatic transmissions
 - E. Water Truck – tandem and/or single rear axle requiring a commercial driver license with tanker endorsement, with automatic and/or manual transmissions.
 - F. Hydraulic Jacking System – configured for a single pump
 - G. Guardrail Post Driver
 - H. Mobile Crane – up to and including 10 tons lifting capacity
3. Performs the demolition, construction, and maintenance of wooden, concrete, and steel bridges including carpentry work, building concrete forms, replacement or patching of decks, felloguards, rails, posts, placing false work, rigid and/or suspended scaffolding,

jacking, replacing frame or pile bents, caps, stringers, bridge slabs, floor beams, etc.; carpentry, painting, re-roofing, structural repair and maintenance of buildings, and covered bridges.

4. Performs layout and assembly of guardrail components from plans or verbal instructions.
5. Operates welding and cutting equipment for constructing simple parts or devices, and for the construction, alteration, or repair of non-structural components.
6. Occasionally works outside of normally scheduled hours.

OTHER FUNCTIONS:

1. Respond to emergencies during and after normally scheduled hours.
2. Perform the functions of a higher classification for training or relief purposes.
3. Other duties as assigned.

RECRUITING REQUIREMENTS: (Additional specific details may be provided by the specific office or department job announcement, if applicable).

KNOWLEDGE, SKILL AND ABILITY: Considerable knowledge of the construction, maintenance, and repair of bridges, guardrails, and culverts. Considerable knowledge of the operation, maintenance and minor repairs of moderately complex, heavy duty road/bridge maintenance equipment; thorough knowledge of state laws pertaining to operation of motor vehicles and equipment on roads and highways; demonstrated skill in the performance of specialized work to which assignment is made; good physical condition and ability to do heavy manual work under hazardous conditions out of doors in adverse weather conditions; working at heights, in traffic areas, handling heavy tools and material, in extremely wet and muddy conditions around and under bridges; resourcefulness, dexterity and mechanical aptitude.

EXPERIENCE, EDUCATION AND TRAINING: 18 years of age or older, and graduation from a senior high school or possession of a GED, and two years' experience in bridge construction, maintenance and repair, including experience in the operation of motorized road/bridge construction and maintenance equipment; or considerable experience in performing skilled manual tasks; or any satisfactory equivalent combination of experience, education and training which demonstrates the ability to perform the work described.

NECESSARY SPECIAL QUALIFICATIONS: Possession of a Commercial Driver License, Class "A", with endorsements for manual transmission, fifth wheel trailer, air brakes, and tanker; and an acceptable driving record; and possession of an Oregon State Marine Board Boater Education Card; and possession of a NCCCO Mobile Crane Operator Certification.

PHYSICAL DEMANDS AND WORK ENVIRONMENT: Work is generally performed outdoors in all types of weather and in all areas of the county. Work requirements include being able to see (excellent depth perception), talk, hear, sit, stand, walk, bend, stoop, kneel, jump and run. The

ability to use hands to finger, handle or operate objects, tools or controls, to reach with hands and arms and to lift or move ninety (90) pounds is also required.
