Note to Applicant:

Section 104.10 of the Oregon Structural Specialty Code grants the Building Official the ability to consider alternatives to prescriptive code language in specific cases. It is the policy of the County that the use of this Section of the Code be limited, and that individual cases be considered carefully within the context of the requirements of these provisions.

Applicant Determination:

Upon due consideration, the Building Official determines that the above application is:

- Denied
- Approved without conditions
- Approved, subject to following conditions

Date: _____ Building Official: _____

Applicant's agreement to abide by conditions:

The undersigned expressly acknowledges and agrees that acceptance of this application and any subsequent issuance of a permit(s) based upon the proposed alternative(s) or modification(s), has been made subject to certain conditions which the Building Official deems necessary. The undersigned agrees to comply strictly with all conditions imposed by the Building Official. With respect to all Specialty Code(s), the undersigned's failure to comply strictly with all conditions imposed in granting any permit(s) pursuant to this application will render any right to proceed with construction, occupancy or use of any property or premises pursuant to said permit void, and may subject the undersigned to revocation of said permit issued in connection with this application.

The undersigned acknowledges that this alternate proposal application, if approved, shall apply only to the project for which the alternate was requested. Future projects requiring consideration for alternate materials, design and/or methods shall be reviewed on a case by case basis.
